

Word on the street is that. . . *

...98% of parents are satisfied with the quality of teaching their child receives

...100% of parents say their child is treated fairly at school

...100% of parents surveyed feel their child is safe at school

...96% of students feel that their teachers care about them (4% don't know)

...100% of students say they are treated fairly by adults at CG

...100% of students say their teachers are good or very good

...100% of students surveyed say they feel safe at school.

**Based on 2021 AERR results. See our website for more information.*

OUR MISSION

Together we are a safe and caring community of active 21st century learners. We are respectful leaders in our school and our world, who experience success and fun!

to be and Where
Parents Want to
Send Their Kids”**

Cold Weather Policy

Students are outside for morning and lunch recesses. Please make sure they come to school dressed appropriately for the weather. When it rains or the 'feels like' temperature is -24 C or lower, students will have recess indoors.

POWERSCHOOL FOR PARENTS

With PowerSchool and Parent Portal you can:

- Register your child
- Check marks and attendance
- Use the app on your phone and tablet
- To set up your account and to register your child(ren), go to fmpsd.powerschool.com/public/.

 Monthly family nights, as well as BBQs, dance s and more!

 Hot lunches available through our Parent Association

 Grab & Go Breakfast available for all students at no charge

 We are an Apple School that promotes healthy eating and lifestyles

 We are a Leader in Me school committed to empowering students to become effective leaders.

Christina Gordon is part of the APPLE Schools program that promotes healthy

living in terms of nutrition, physical activity and mental health. We encourage students to make healthy choices; and parents too if they are making a treat for the class.

[APPLE Schools](#) is an Alberta-based initiative that equips students with the knowledge necessary to confidently take ownership of their own health and social behaviours.

The [Leader in Me](#) (LiM)

program helps develop student leadership based around the 7 Habits of Highly

Effective People. In this program, students take leadership in all parts of school life, ranging from hosting assemblies to running the school-wide recycling program, not to mention various leadership roles in the classroom.
